## **McFadden Insurance Names Diaz Benefits Division Manager**

**(LAS VEGAS)** — Greg Pike, vice president of McFadden Insurance, recently announced the firm has appointed Elena Diaz to benefits division manager.

In her position, Diaz will oversee and manage the employee benefits division of McFadden Insurance. She will be responsible for coordinating benefits for clients including group health, individual health, disability and supplemental products.

Previously, Diaz served as a licensed life and health account manager for Brown & Brown Insurance. In her seven years in Las Vegas, she has also worked for Investment Insurance Services and Nevada Power. Prior to her move to Southern Nevada, Diaz spent nearly 20 years as a human resource manager for Lavilla Meat Market, Inc. in Los Angeles, Calif.

Diaz received numerous accolades including awards in customer service excellence while at Brown & Brown. She has additional training in computer software and marketing and sales with programs such as John Thomas Seminar, Executrain and the College of Southern Nevada. Diaz is also bilingual, speaking both English and Spanish fluently.
